**FIRST ORDER MODIFYING THE ORDER FORMING
THE COAL CITY REGIONAL SEWER DISTRICT**

The Coal City Regional Sewer District (the "District") was previously established by Order of the Indiana Department of Environmental Management (IDEM), dated January 21, 2009 ("original Order"), for the purpose of collection, treatment, and disposal of sewage. The original Order stated the District shall file with the Commissioner of IDEM, a detailed plan for the construction and operation of the District's facilities by November 1, 2009.

On or about December 8, 2009, the District, by its Board of Trustees, petitioned to amend the original Order, pursuant to I.C. §13-26-1, by requesting an extension of time to file the Regional District's Plan as described.

The Commissioner of IDEM now orders that the original Order of January 21, 2009, forming the District, be amended. The Commissioner approves the District's request to extend the time to submit their district plan. The Commissioner hereby orders that the District submits its plan by December 1, 2010. In all other respects, the District shall remain subject to the terms of the Order dated January 21, 2009.

Pursuant to I.C. § 4-21.5-3-5(f) and I.C. § 4-21.5-3-2(e), this Order modifying the original Order forming the Coal City Regional Sewer District, becomes effective eighteen (18) days after its mailing. If you wish to challenge this decision, I.C. 4-21.5-3-7 requires that a petition for administrative review be filed. The petition describing your intent must be submitted to the Office of Environmental Adjudication, 100 North Senate Avenue, IGC-N, Indianapolis, Indiana 46204, within eighteen (18) days from the mailing of this notice. This petition must be filed in accordance with I.C. 4-21.5-3-7, and must include facts demonstrating that the petitioner is the applicant, a person aggrieved by this decision, or a person entitled to review by law.
